

Dear ANCW Members and Friends:

The California and Nevada CatttleWomen are proud to be hosting the ANCW Region VI Meeting. The meeting committee has been working hard to prepare a quality program for this meeting. Our industry is continuing to face challenges in the markets and at home.

This year's event will be held at the 3C Event Complex in Fallon, Nevada. The host hotel is Holiday Inn in Fallon, Nevada from March 23-26,2023. The 3C Event Complex is where all of our meetings will take place in addition to the WIRED Program on March 24-25. We have put together a great program which allows for plenty of time for discussion between everyone in attendance as to what is going on in your state. Dinner will be on your own on Wednesday night and it is encouraged that you go to dinner with ladies from other states.

The ANCW Region VI Meeting tradition draws ladies from the region which includes: Arizona, California, Nevada, New Mexico, and Utah. All ladies are welcome from other regions as well. Your support and participation are invaluable to keeping the national organization going.

Information about the program and registration as well as the sponsorship forms are enclosed. Plan to register soon so that you don't lose out on the group rate. Your involvement and support are sincerely appreciated, and we look forward to seeing you in Fallon in March 2023.

Respectfully,

Frey Ranch Distillery was born from over 165 years of Nevada farming tradition in their family, and are proud to be one of the few distilleries in the world which sustainably grows 100% of their whiskey grains onsite. Their slow grown grains are a point of pride for the farm and distillery which is shown in every sip of the Frey Ranch Whiskey. All of their grains are grown on their 1,500 acre farm in Fallon, Nevada. It is with their 100% control over the malting, milling, mashing, distilling, maturing, and bottling process onsite at the Frey Ranch, that a high-quality whiskey is born of complete balance and flavor. The tour is half an hour with behind the scenes of their beautiful distillery and shows you how their award-winning whiskey is created from grains grown right on Frey Ranch.

Dear Friend of California and Nevada CattleWomen,

Nevada and California CattleWomen has been on the cutting edge of beef promotion and education to the public for more than sixty years. Our organizations has always had a mission to educate consumers, students, teachers, ag groups, public officials, and the general public about the benefits of beef and the cattle industry. Nevada CowBelles, the founders of the now Nevada CattleWomen formed the organization to promote beef while promoting “social relations between the cattle people and the community.” Our membership in California and Nevada is truly a proven force for good in the cattle industry.

In 2022 alone, the thirty-one county units consisting of 1,808 members of California CattleWomen made direct contact with over 422,000 people. In addition to this we had media outreach opportunities that had audiences of 5,361,000 people. That is an amazing reach of 2,706 people per member.

Now, we are asking for your help. The California CattleWomen and Nevada CattleWomen have been selected to host the Region VI American National CattleWomen Meeting where fellow CattleWomen from Arizona, California, Nevada, New Mexico, and Utah as well as guests from other regions will be joining us in Fallon, Nevada on March 23-25,2023. This two-day event will consist of learning, networking, discussing items, and exchanging ideas on how to reach even more people for beef. We are excited about this opportunity to further impact our industry and want to put our best foot forward. California and Nevada will be offering a WIRED Program on the afternoon of the 24 and 25th.

Individuals and companies have the opportunity to donate through the California CattleWomen Heritage Foundation 501©3 or the Nevada CattleWomen’s Inc 501©3 which exists to aid in fundraising efforts by providing a means of working with generous donors that would like to aid in efforts by making a designated tax-deductible donation. The donation form is enclosed to donate to the Heritage Foundation in regards to your sponsorship for the 2023 region meeting.

We hope that we can count on you to partner with our organizations and help us provide the best to the best of our industry. Your generous donation will be recognized as a sponsor of this event. Your sponsorship will include acknowledgement at the Region VI meeting in the program and on sponsor boards at the venue, plus additional acknowledgement individual newsletters.

We thank you for all you have done to support the beef industry. We look forward to partnering with you in this endeavor. Please complete the enclosed sponsorship form, so we can promote you as a Friend and Supporter of the CattleWomen and Beef!

Respectfully,
